Welcome to WMHE2019

The Faculty of Civil Engineering of the University of Ss. Cyril and Methodius in Skopje, Macedonia, is organizing the 16th International Symposium on Water Management and Hydraulic Engineering (WMHE2019). It is our pleasure to invite all researchers, engineers and professionals working in water management and hydraulic engineering to contribute on a wide range of topics. The symposium will take place on September 5-7, 2019 at the Hotel Aleksandar Palace in Skopje.

The original bilateral symposium between civil engineering faculties of Gdansk University of Technology (Poland) and University of Zagreb (Croatia) has been spread to partner universities: Slovak University of Technology in Bratislava, Ss. Cyril and Methodius University in Skopje (Macedonia), University of Natural Resources and Applied Life Sciences in Vienna (Austria) as well as Brno University of Technology (Czech Republic).

Symposium publication

All accepted contributions will be published in the Proceedings which will be presented in a digital form and in the Book of Abstracts which will be presented in printed form.

Journal Publications

Selected papers from the Symposium will be published in:

- Slovak Journal of Civil Engineering
- Acta Hydrologica Slovakia
- Scientific Journal of Civil Engineering (FCE Skopje)
